ADDENDUM TO THE CALL FOR APPLICATIONS FOR PLACES IN PH.D. COURSES – XXXIX CYCLE ISSUED WITH RECTOR’S DECREE N. 1814 OF MAY 5TH 2023

THE RECTOR

Having regard to the following:

- Ministerial Decree n. 45 of December 14th 2021 including the “Regulations governing the modalities of accreditation of institutions and Ph.D. courses as well as the criteria for the implementation of Ph.D. degree by accredited institutions;
- The regulations governing Ph.D. courses currently in force at the University of Catania;
- The call for applications for places in Ph.D. courses issued with Rector’s Decree n. 1814 of May 5th 2023 and its subsequent integrations and modifications;
- The information sheet concerning the Ph.D. courses in “Physics”;
- Article 14, paragraph 1, of the abovementioned call “This call can be integrated in case the number of places with scholarships increases due to further funds made available by no later than July 15th 2023.”;
- the note of the National Institute for Nuclear Physics – Laboratori Nazionali del Sud, adopted in the University protocol with no. 0151511 of 06/06/2023, relating to the financing of n. 1 scholarship for the PhD in Physics;
- The necessity of redefining the number of places related to the Ph.D. courses in “Physics” considering that the scholarship financed by the National Institute for Nuclear Physics – Laboratori Nazionali del Sud was made available after the publication of the abovementioned call for applications;
- The Decree of the Minister of Education, University and Research n. 800 of September 19th 2019, registered with the University’s protocol with n. 13798 of the same date, with which Prof. Francesco Priolo was appointed Rector of the University of Catania for six years as from the date of the abovementioned decree;
- All this considered;

DECREES

The call for applications for places in Ph.D. courses of the XXXIX cycle of the University of Catania, issued with Rector’s Decree n. 1814 of May 5th 2023 and its subsequent modifications and integrations, is integrated as follows

Art. 1 The information sheets of the Ph.D. course in “Physics” is integrated in consideration of the availability of the scholarship reported in the premises.
