Rector decree n.....

*ADDENDUM TO THE CALL FOR APPLICATIONS - PH.D. COURSES – XXXVIII CYCLE –  
UNIVERSITY OF CATANIA, ISSUED BY THE RECTOR WITH DECREE N. 2233 OF JULY 04  
2022*

Having regard to:

- Ministerial Decree n. 226/2021 containing the rules on the modalities of accreditation of universities and Ph.D. courses and the principles for the implementation of Ph.D. courses in the accredited universities;
- The current Regulation of the University of Catania concerning Ph.D. courses;
- Ministerial Decree n. 352 of 09/04/2022 “MAC2 – Inv. 3.3 – “Innovative doctorates aimed at strengthening the demand of innovation of enterprises and promoting the employment of researchers by enterprises”;
- The Call for applications–Ph.D. Courses XXXVIII cycle, issued by the Rector with Decree n. 2233 of July 04 2022;
- Annex 9 of the aforementioned call concerning the Ph.D. course in “Systems, energy, computer and telecommunications engineering”;
- Annex 8 of the aforementioned call concerning the Ph.D. course in “Computer Science”;
- Annex 12 of the aforementioned call concerning the Ph.D. course in “Materials science and nanotechnologies”;
- The agreement signed by the legal representative of the National Institute of Astrophysics - Catania Observatory, received by the University of Catania after the publication of the Rector’s Decree 2233/2022, concerning the funding of an additional scholarship for the Ph.D. course in Systems, energy, computer and telecommunications engineering;
- The agreement signed by the legal representative of the National Institute of Astrophysics - Catania Observatory, received by the University of Catania after the publication of the Rector’s Decree 2233/2022, concerning the funding of an additional scholarship for the Ph.D. course in Computer Science;
- The agreement signed by the legal representative of ENI, received by the University of Catania after the publication of the Rector’s Decree 2233/2022, concerning the funding of an additional scholarship for the Ph.D. course in Materials science and nanotechnologies;
- The necessity of redefining the number of places related to the Ph.D. course in “Systems, energy, computer and telecommunications engineering” in consideration of the new availability of additional scholarships;
- All this considered;

DECREES

The call for applications – Ph.D courses, XXXVIII cycles of the University of Catania, issued with Rector’s Decree n. 2233 of July 04 2022, is integrated as follows:

Art.1 The number of places with scholarships concerning the Ph.D. course in “Systems, energy, computer and telecommunications engineering” is redefined as indicated in Annex 9, with the number of available places being increased by one (1) according to what stated in the premises.

Art 2 The number of places with scholarships concerning the Ph.D. course in “Computer Science” is redefined as indicated in Annex 8, with the number of available places being increased by one (1) according to what stated in the premises.
