

How to apply to the University of Catania as a Master's Degree Student?

What is a Master's degree course?

Master's degree courses are aimed at providing students with an advanced level of education for the exercise of a highly qualified activity in specific areas. Master's degree courses last 2 years, and the degree is awarded to students who have earned 120 credits. Students that want to enroll in a Master's degree course must possess a suitable foreign university or post-secondary qualification (Bachelor Degree) and should possess curricular requirements and personal competencies and skills.

You have the opportunity this year (2023) to apply to one of courses from **13th February till 16th March**. Here is a list of the courses and available seats of each course:
